Re: Extension of LS-CAT agreement for 5 years at 1/4 share

Dear Dr. Brister,

As the Operations Manager for the Life Sciences Collaborative Access Team (LS-CAT), VARI requests that you provide this letter to the LS-CAT Management Board for its notification, review, and approval.

VARI is prepared to execute the Fourth Amendment to Collaborative Access Team Agreement based on the LS-CAT Management Board's agreement that VARI will have 1/4 share for each of the five years under the Amendment.

On behalf of VARI and Drs. Eric Xu and Karsten Melcher, I want to thank you for your ongoing support as we work through these changes. Most importantly, I want to emphasize our continued commitment to the LS-CAT program.

Best regards,

Jana Hall
Chief Operations Officer
