LS-CAT Staff (NU)	Keith Brister – Operations Manager Spencer Anderson Michael Bolbat Joseph Brunzelle Monica Green Elena Kondrashkina Jay VonOsinski Zdzislaw Wawrzak

Open Meeting (Jeanne Stuckey)

Jeanne Stuckey calls meeting to order at 2:05 PM.

Calls to approve current agenda and minutes from Dec. 2017 Board Meeting.
Motion: Minutes and agenda approved by all Board Members.

LS-CAT Management Board Meeting Agenda (Keith Brister)

Safety at the APS (Keith Brister)

1. APS cracking down on safety protocols.
2. Chief Operating Officer, John Quintana replaced recently.
3. All cables and items not NRTL listed, will need to be inspected.

Optimizing Eiger Data Collection (Joseph Brunzelle)

1. Data collection guidelines available from Dectris
    a. Tested optimizing data collection with insulin data set.
    b. Using finer omega slicing will give you better quality data.
    c. Can process data with different frame widths.
    d. Try to experiment with collection methods.

LS-CAT Status (Keith Brister)

1. Robots at LS-CAT
    a. Mike Bolbat doing a great job with robot maintenance.
2. Planning ahead
    a. 4 years until the end of current LS-CAT agreement.
    b. Suggest ad-hoc committee be formed to discuss the new agreement and future of LS-CAT.
    c. Jeanne suggested board members go back to their institutions and ask for suggestions/others to be part of a committee.

Action Item: Everyone interested in being on a committee should speak with colleagues and send suggestions to Jeanne Stuckey/Keith Brister by the end of September 2018.

3. APS Upgrade
    a. 2018 Budget was passed and APS received favorable funding.
    b. Upgrade scheduled to start mid 2022.
4. Usage Reports
    a. APS missing several LS-CAT publications.
    b. Problem recognized and publication list should be updated soon.
    c. Having full publication list would be helpful when discussing funding with administrators.
    d. Would like to have accurate/full list prior to the APS Review of LS-CAT (expected late 2018/early 2019).
5. Publication List Comments

a. Well over 1,400 articles in full publication list.
b. Over 200 dissertations total.
c. LS-CAT compares well with other APS CATs.
d. LS-CAT staff routinely collaborates with members.
e. Publications appearing from clients of data collection contractors.

LS-CAT Budget for FY2018 (Keith Brister)

1. FY 2018 moving along as predicted.
2. FY 2019 Capital equipment fund is low for capital equipment needs at LS
3. Vote 1: Approval of amounts shown.
4. Vote 2: Allows the use of capital equipment funds for normal upkeep of the facility.
    a. Exact amount of capital equipment needed depends on what breaks and which upgrades cannot be postponed. Monies left on this line will be added to capital fund or, conversely, when outlays exceed this amount we will dip into the capital fund.
    b. Board will be kept informed about unusually large expenses.

Jeanne Stuckey calls for motion to approve first vote.
Motion: Alfonso seconds motion and all board members in favor.

Jeanne Stuckey calls for motion to approve second vote.
Motion: Katrina Forest seconds motion and all board members in favor.

Fall Meeting Planning

1. Beneficial to invite APS Director to our meeting.

Jeanne Stuckey motions to invite the APS Director to the fall meeting.
Motion: Jim Geiger seconds motion and all board members in favor.

2. Jeanne Stuckey requests members email her or Keith Brister any concerns prior to the fall meeting so everything can be addressed.

Discussion: (Katrina) People are having issues processing data remotely on Eiger detector. (Keith) Rapid data collection system being worked on and hopefully set up soon. Possibility of programmer (student) to work on bettering data collection.

Jeanne Stuckey adjourned meeting at 3:15pm.

Minutes respectfully submitted by Monica Green on May 15th, 2018
